LEADERSHIP PHILOSOPHY

Within any organization, everything rises and falls on leadership. Outstanding organizations are led by outstanding leaders, the opposite is also true. Dr. Wilkerson helps leaders within the medical profession step into their responsibility of becoming effective leaders by building a culture and acquiring staffing support who are aligned with that culture.

An excellent culture is:

- ★ ***Vision-Oriented.***
- ★ ***Alignment Focused.***
- ★ ***Execution Accountable.***

PEOPLE ARE SAYING?

"DR. WILKERSON WAS A TREMENDOUS COACH"

I benefited immensely from my executive coaching experience in a safe, professional, and confidential way. I gained better insight into my blind spots and learned how to effectively better lead and support my peers and those whom I supervised.
